

## DAY 01: HO CHI MINH CITY ARRIVAL (-/-/-)

Xin Chào! Welcome to **Ho Chi Minh City!** Known affectionately as Saigon by its locals, Ho Chi Minh City is Vietnam's largest, liveliest city. Once you have completed immigration procedures at **Tan Son Nhat International Airport**, say hello to the local guide and transfer to your hotel in the city center. Spend the day at leisure resting or discovering the city independently.

Overnight in Ho Chi Minh City

## DAY 02: VIETNAM GOLF & COUNTRY CLUB (B/-/-)

Wake up to the sunshine of Saigon and head 20km outside of the bustling city to **Vietnam Golf & Country Club**, the first 36-hole golf club in Vietnam. Set amongst 300 hectares of woodland, there are two courses to choose to play on; the west course was established in 1994 by Taiwanese architect Chen King Shih and hosted the Vietnam Open (Asian PGA Tour Event) in 1995 and 1997, while the east course, designed by six-time Major Champion winner Lee Trevino, opened in 1997. It has long been recognized as Vietnam's premier golf club and was voted as one of Asia's best golf courses.

Return to Ho Chi Minh City once you complete the course, with the rest of the day free at leisure to explore the city's food scene and nightlife.

## DAY 03: LONG THANH GOLF CLUB (B/-/-)

Let the skyscrapers and city buzz fade in the rearview mirror as we depart Ho Chi Minh City for **Long Thanh Golf Club**. Designed by the renowned American-based firm Golf Plan, Long Thanh has two championship 18-hole courses. While the demanding Hill Course is positioned on a plateau to challenge professional golfers, the Lake Course is surrounded by the branches of the Dong Nai River with well-placed bunkers for new ambitious golfers. Take your pick and appreciate the rolling fairways winding through palm plantations, artificial lakes, and waterfalls, before packing up your gear and checking into your new hotel on Ho Tram beach.

## DAY 04: THE BLUFFS HO TRAM STRIP (B/-/-)

Start the morning with an engaging third round of golf at **the Bluffs Ho Tram Strip**, a masterpiece created by legendary Greg Norman capturing the essence of a true links course designed around the area's huge sand dunes and dramatic ocean views. During certain times of the year, the high sea winds wreak havoc, offering an exciting challenge for even the most seasoned golfers. The signature 4<sup>th</sup> hole treats players to a spectacular 360-degree view of the course itself along with lush surrounding forests and the expansive Vietnamese coast. Greg Norman put it best when he said "the Bluffs is one of the most special golf experiences in the world".
